

SCHUYLKILL COUNTY'S ONLY ARTS AND ACADEMIC BASED PRESCHOOL  
WHERE YOUR CHILD CAN LEARN &

**GROW**

### CURRICULUM

This arts/academic based curriculum is built upon a thematic approach. Themes are integrated into a variety of subject areas including language arts, social studies, math and science. Some daily activities include the development of reading and writing skills and introduce the importance of literary concepts. The children will extend their math skills through sorting, grouping and counting. We also include science lessons and experiments.

### SPECIAL ACTIVITIES

Field trips & guest artists help reinforce our themes. Children also participate in music, drama, dance, and puppetry.

WE MAINTAIN A SMALL  
TEACHER/CHILD RATIO TO  
ENSURE EACH CHILD RECEIVES  
INDIVIDUAL ATTENTION AND IS  
ABLE TO GROW.

### OUR TEACHERS

Krista Schaeffer, our teacher for the past 16 years, holds a BS in Early Childhood and Elementary Education from Kutztown University. She has worked in area schools and has served as a kindergarten teacher at All Saints Catholic School. Her assistant, Sandy Clauser, has been with Krista for the past 16 years. Both teachers possess creativity and enthusiasm to this arts and academic based educational program.
